Objective

Seeking an internship opportunity at a forward-thinking company where I can combine my technical skills with my passion for continuous learning and innovation. I am eager to contribute to dynamic team projects, solve challenging problems, and grow professionally in an environment that values creativity and adaptability.

Education

B.Tech in Information Technology	2023–Present
CMR Institute of Technology, [Hyderabad, Telangana]	
CGPA: 8.61	
Intermediate	2021–2023
Alphores Junior College, [Mancherial, Telangana]	
Percentage: 88.8%	
High School	2016–2021
Trinity High School, [Mancherial, Telangana]	
Score: 10/10	

Technical Skills

Languages: SQL, C, Java, Python

Web Development: HTML, CSS, JavaScript, React, Node.js, Git, Flask, Tailwind

Databases: SQL, MongoDB

Projects

Hospital Management System

Built a simple hospital management system utilizing SQL and DBMS concepts.

My To-Do List

The To-Do List web app allows users to add, edit, and delete daily tasks effortlessly. It organizes tasks for better productivity and tracks completion status.

Vendor Bid Evaluation

Performed vendor bid evaluation by analyzing cost, quality, and delivery timelines to support effective procurement decisions. Prepared comparative reports of quotations and technical specifications to identify best-value vendors. Coordinated with vendors and internal teams to ensure requirement clarity and compliance with procurement procedures.
